New Graduate Computer Engineering Student

Ankara, Turkey

EXPERIENCE

- **STELAB Yazılım A.Ş.**
Engineer Intern - Ankara, TR
Event delivery service development with **NodeJS** and **RabbitMQ**, **Containerization** of old projects. **Smart Card** application development (**Linux PCSClite** 'C' library) and GUI integration with **GTK 3.0**
Experiences Gained: NodeJS, AMQP event service development, GTK, SmartCards, ADPU commnads.
Nov 2021 - Now
- **Jotform Yazılım A.Ş.**
Summer DevOps Development Intern - Ankara, TR
PHP Web development with **Symfony Framework**, Developing a network service checker ; TCP, UDP, L-7 protocols.[<https://jotmon.jotformers.com/>] with event bus architecture (**RabbitMQ Message Broker**)
Experiences Gained: Bootstrap, PHP web & system development, Message Brokers and its protocols(AMQP, MQTT), Symfony web-framework, Linux Systemd, Docker & Docker-Compose, .
Jun-Oct 2021
- **Loggma Yazılım Elektrik Elektronik A.Ş.**
Summer Intern - İzmir, TR
Python-Django Web development with Rest-API, Writing automation scripts with **shell scripting** for installing new hardware.
Experiences Gained: PostgreSQL, Linux System Man-agement, Django, Regex, Shell Scripting.
Jun-Aug 2020

EDUCATION

- **B.S. Computer Engineering, CGPA: 3.03/4**
Atılım Universitiy Ankara
2017- 2022 Jun

SKILLS

- **Programming & Script Languages**
Python3 [2Yrs], **C** [2Yrs], **C++98**[1Yrs], **PHP8**[3 Mon], **GoLang**[1Yrs], **Shell Script**[1Yrs] , **JavaScript**[1Yrs], **Rust**[2Mon].
- **Technologies & Frameworks**
SQLite, PostgreSQL, Git, KVM/Qemu, HTML/(VanillaJS), WebSockets, AMQP(Rabbitmq), MQTT, Symfony, Flask, Go-Gin, ExpressJs, Docker, Gitlab(DevOps tools), GTK3
- **Patterns & Practices**
Linux Systems[6 Yrs], Object Oriented Programming[2 Yrs], Object Relational Mapping[3 Yrs], NoSQLDBs[6 Mon], Network Programming[2yrs], Back-end development[4 Yrs], Message Queuing(Message Brokers)[1 Yrs]

PERSONAL PAGES

- **Github** [<https://github.com/egemeric/>]
I upload my individual projects to my GitHub repositories
- **Webpage** [<https://egemeric.gen.tr/>]
I don't use very often. It's a simple wordpress blog

AWARDS & RECOGNITION

- **Honor Student**
Honor Student Certificate
GPA: 3.03/4
2018-Winter

HOBBIES & INTERESTS

Career Hobbies&Interest:

Back-end development, Computer Networks, System Programming, Edge Computing.

Personal Hobbies&Interest:

Bikepacking, Endurance sports.
